Risks from reliance on certification by True Sale International GmbH

Since 2010 True Sale International GmbH (TSI) grants a registered certification label "CERTIFIED BY TSI – DEUTSCHER VERBRIEFUNGSSTANDARD" if a special purpose vehicle complies with certain TSI conditions. These conditions are intended to contribute that securitisations involving a special purpose vehicle which is domiciled within the European Union adhere to certain quality standards. The TSI conditions have been updated in the past from time to time, and in the context of the recent Securitisation Regulation (Regulation (EU) 2017/2402), TSI has made a further update to the TSI conditions in order to reflect quality standards that have also been incorporated into the STS requirements, based on TSI's interpretation of the Securitisation Regulation. However, it should be noted that the TSI certification does **not** constitute a verification according to Article 28 of the Securitisation Regulation, neither has TSI checked and verified the originator's statements. The label "CERTIFIED BY TSI – DEUTSCHER VERBRIEFUNGSSTANDARD" thus indicates that standards based on the conditions established by TSI have been met. Nonetheless, the TSI certification is not a recommendation to buy, sell or hold securities. Certification is granted on the basis of the originator's or issuer's declaration of undertaking to comply with the main quality criteria of the "CERTIFIED BY TSI – DEUTSCHER VERBRIEFUNGSSTANDARD" label throughout the duration of the transaction. The certification does not represent any assessment of the expected performance of the loans portfolio or the notes.

(For a more detailed explanation see "Certification by TSI" below.)

TSI has carried out no other investigations or surveys in respect of the issuer or the securities concerned and disclaims any responsibility for monitoring the issuer's continuing compliance with these standards or any other aspect of the issuer's activities or operations.

Investors should therefore not evaluate their securities investments on the basis of this certification.
